Dear Sponsors,

**RE: REQUEST FOR SPONSORSHIP: ZINQAP ANNUAL SCIENTIFIC CONFERENCE - ZASCO 2011**

ZINQAP is pleased to advise that this year's edition of the ZINQAP Annual Scientific Conference is scheduled for the 17<sup>th</sup>-19<sup>th</sup> of May 2011, in the resort town of Victoria Falls. This annual conference is the only event that brings us together once in a year to share our business ideas and issues. We have experienced remarkable benefits from the previous conferences and, this presents another unique opportunity for your company to market itself and build on the success achieved in 2010.

The conference will draw a wide audience of key decision makers from the public, private laboratories and research laboratories, institutions of higher learning, Ministry of Health & Child Welfare, Ministry of Industry Commerce, and representatives from funding partners. The conference will also have speakers from various stakeholders in laboratory services such as accreditation bodies, the Medical Laboratory & Clinical Scientists Council of Zimbabwe, the National Laboratory Association of Zimbabwe, the Standards Association of Zimbabwe, and the University Of Zimbabwe College Of Health Sciences among others.

Please note that we have categorized this year's conference sponsorship into Gold Class, Silver Class, and Bronze Class as well as the sponsorship benefits accruing to each sponsorship category. Please refer to the attached list of **Sponsorship Opportunities** available for this year's edition of the conference. Companies interested in sponsoring any of the listed items please feel free to contact us at your convenience, and indicate in writing what exactly you would like to sponsor.

We look forward to your continued support.

Thank you.

Yours sincerely,

Sibongile Zimuto
